Cardboard Letters

Choose a word of the day, or the student of the week's name, and decorate the letters that spell them out with colorful Expressions tapes*. As you build a letter collection, mix and match to spell out more words, sentences or ideas to remember.

** May damage some substrates upon removal.*

- 1 Decorate these letters to add pizzazz to a playroom.
- 2 Use a ruler to help keep tape lines uniform on multiple letters.
- 3 Add whimsy with a mix of tape prints, patterns and shapes.
- 4 Glue magnets to the back to display on desks, whiteboards or doorways.
